

Wheatley Lane Methodist Primary School Newsletter 13/3/26

This half term, Mrs Brassington will be writing the weekly message on behalf of Wheatley Lane Methodist Church.

Hello,

For me, most weeks include one or more lengthy WhatsApp exchanges with my two brothers and my sister on our Siblings group. It's a space where we air grievances (90% or more of the time), share news, check and expand on family memories and generally make each other laugh and feel better. It's an absolute lifeline.

Since we lost our mum and then, three years ago, our dad, family ties have become even more important. We live quite far apart but we try to connect weekly and to meet whenever we can. Our mum always said how precious times were when we were all together, and how right she was.

This weekend brings Mothering Sunday, when we can celebrate our mums and all those who have been as a mother to us, which stretches to all those who give us the love and support encapsulated in that parental bond. For me, whilst I have my siblings with me, I'll always feel my Mum's love.

God bless all loving mums.

Lord God,

You offer us the greatest example of motherly love, caring for us as your precious children. Bless the bonds of family ties, in whichever ways a loving family is comprised. Bless those who give love unstintingly and those who receive it.

Amen

Love from Mrs.B x

What's been happening in school this week

On Monday we had a special visitor in school - Fay Cairns, the Director of Methodist State Schools. It was lovely to show her round Wheatley Lane and talk to her about our school. We held Y6 SATs meetings for parents. Thank you to all who attended and we hope you found them informative.

Today Reception class led our worship and invited their guests to spend some time with them in their classroom. Everyone had a wonderful time. Well done Reception!

Forest School need wooden pallets. If you can donate any please bring them to the school office.

We are looking to create a mud kitchen so if anyone has an old sink to donate we would be very grateful
